## Approved For Release 2006/01/17: CIA-RDP79M00095A000100030025-4

## INTELLIGENCE COMMUNITY STAFF

- 10 February 1977

NOTE FOR: Sayre Stevens

DDI

FROM

D/OPEI/ICS

SUBJECT: PRM 11

I have been instructed to "move out" in preparing for the impending PRM 11 which, among other things, will direct a fundamental review -again -- of Intelligence Community organization.

To help in that preparation, could you provide me with written or oral comments on the attached paper by 16 February? Needless to say, all this is very tentative now; but once moving, it will move fast.

.

Attachment: ICS 77-2118

Same note sent to DDO + 5+1.
Replies attal.

Fritz -

This approach looks pretty good. Your options seem to spantue possibilities - short of doing away with the whole damued businers milli- be uschil to Specific consideration proposed charges that are being Intelligence ( e.g., Tsar, separation of consider their implications relationship to the package schemes you have defined. I suppose the group should also address the entreisms of the community levelet tuc Rockefeller Commission, Congrese and other Friends which relate to its structure in the same way: The inclusion of a claudestine , representative will probably be necessary; the peculiarities associated with that world pose some real problems in terms of community streture. whatever I ill be glac to do help, to be of
